

June 2007

Dear Friend,

As the sun was setting on a beautiful day in Sanger, California, where 1,800 people had gathered for the WOW JAM, I began to preach about the love of God. I spoke about how short life is and that tomorrow was not promised us.

As I gave an invitation for people to receive Jesus, three shots rang out and a man took three bullets in the head just a few hundred feet behind the WOW truck from where I was preaching. 252 people came forward to receive Jesus. While the man lay dying **behind** the truck, people received eternal life in **front** of the truck. It was a moment I will never forget.

That week 1,107 accepted Jesus with 121 coming to get baptized at a huge wave pool.

A week later we were in Azusa where 218 people accepted Jesus. The next week we were in Fontana where over 6,000 people attended the WOW JAM and filled the football field. That day was one of the largest altar calls we have ever had, with 649 people accepting Jesus and filling out cards. 112 were baptized that Sunday in a water park.

I report this to you because I want you to know what your prayers and financial support is doing. The Bible says: *The fruit of the righteous is a tree of life, and he who wins souls is wise.* (Proverbs 11:30) Thank you, and would you please pray and invest in the Kingdom of God this month as we prepare for a WOW JAM in Pomona and then a week-long WOW JAM in Los Angeles, with 130 interns who are flying in from around the country to be trained in the morning and to serve each afternoon. We anticipate reaching over 15,000 people in the toughest areas of LA. We will be doing our first WOW JAM ever in Long Beach!

Thank you, and I look forward to hearing from you this month. Please look at our website at [wowjam.com](http://wowjam.com) for pictures, videos, updates and locations of our WOW JAMs.

God bless you,

**THE CROWD IN FONTANA WAS ONE OF THE BIGGEST WE'VE SEEN!**
